

Buses are Still Departing On Time Monday Morning

We, at Capital Camps, understand today has been a long day for everyone with the severe weather that came through the region. We want to reassure you that the buses will be leaving on time Monday morning. Your children will be greeted at the bus stop by our counselors and be on their way for an amazing 3 weeks at camp.

Safety is our priority. If you feel it is not safe to leave your neighborhood, and you will not be able to get to the bus on time, please contact the camp office at 717-794-2177 beginning Monday morning at 7am and let us know your plans. You can always bring your camper to camp later in the day if you can not safely get to the bus stop on time.

Thank you for understanding and for trusting us with your children. We are excited to have them join us.

B'Shalom,

Jon Shapiro
Camp Director
